WELCOME TO OUR DANCE STUDIO!

Here at Classique Dancecentre, your child is offered an exciting dance education with a caring & technical training in a happy, healthy environment.

Classes are available for children 2 – 4 years in our always popular Tiny Tots classes at just \$5 paid per lesson.

We cater for students 5 years upwards and offer classes in Jazz, Song & Dance/Musical Theatre, Lyrical, Contemporary, Broadway, Ballet, Tap & Hip Hop by invitation.

At Classique, we pride ourselves on choreographing and creating all of our routines for competitions in-house with our amazing team of teachers. Each routine is tailor made for each dancer or group of dancers, which gives each and every student a chance to shine! Both Miss Linda and Miss Alex regularly attend teaching seminars and dance workshops to continuously expand our knowledge. Having received numerous choreography awards at a National Level across multiple genres, our ability to adapt to the ever-changing world of dance while staying true to our traditional jazz technique.

Students are offered the opportunity to perform at both our local Dance Competitions and, by invitation, at an Elite National Level. We also encourage students to attend workshops and seminars where and when available.

Performing onstage fosters confidence & self-esteem which is extremely important to develop as a life skill. Dance also helps them to be an important member of a team, encouraged by the wonderful friendships & support given to each other, developing & strengthening a bond as they grow together throughout the years.

“Dance friends make the best friends”

A safe learning environment is our number one priority, through teaching safe dance practices and continuing to provide a Covid safe space!

We forward to encouraging & developing an exciting dance education with your child, full of fun & enjoyment in a healthy, happy environment.
